

STRATEGY SEMINAR 2024

Location: Frederiksdal Sinatur Hotel & Konference
Frederiksdalsvej 360, 2800 Kgs. Lyngby

13.00 – 14.15	Innovation, Research and Interdisciplinary Collaboration The Board Committee presents the results of discussions from the committee's meeting in August, focusing on innovation, research, and interdisciplinary collaboration. The committee's conclusions are qualified by the entire board. Please read the preparatory material (bilag 1) in preparation for the discussions.
14.15 – 14.30	Break
14.30 – 15.00	Innovation and Strategy at Technical University of Munich (TUM) Thomas F. Hofmann, President at TUM
15.00 – 15.45	Leading engineering – A Possible Strategic Option Based on Thomas Hofmann's presentation, strategic ambitions for DTU in the future are discussed with a particular focus on innovation. The discussion transitions into a discussion of DTU's future 'operating model' given the overall ambitions within research, innovation and education.
15.45 – 16.00	Break
16.00 – 16.30	Walk & Talk Which strategic themes would we like to ask the daily management and the organisation to investigate in more detail?
16.30 – 17.30	Outcome and next steps Summary of the overall discussions and requests from the board for topics that the organisation should investigate before the next meeting to qualify the strategic discussions.
