

Guide to DTU Career Hub – Step-by-Step for Students

This guide explains how students nominated for the Technical University of Denmark (DTU) Global Top Student Programme can create an account on DTU Career Hub and apply for internship positions. Follow the step-by-step instructions to get started on the platform and complete your application.

Before you begin:

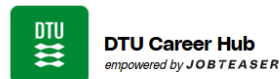

Please make sure that you have been nominated for the DTU Global Top Student Programme by your home university before you apply for an internship.

Step 1: Go to DTU Career Hub

Go to: [Welcome to your Career Center | JobTeaser](#)

DTU uses the platform JobTeaser. It is important that you use this specific link, as it connects you directly to DTU's Career Hub.

Click on “Log in with your email address”:

Fill in your personal information and click on “Subscribe”. In the field “DTU Email address”, you can use either:

- your private email address, or
- your home university email address.

You do **NOT** need a DTU email address to create an account.

Register to find your path with JobTeaser

Please tell us a bit about yourself so that we can offer you content relevant to your search:
