

Show how you use the pop-up environments and share your photo #transformingdtu

Here you can find other pop-up environments at DTU Lyngby Campus

-  The Luncbox Gardens
-  The Hammock Woods
-  The Grandstand
-  The Bar
-  The Pallet Lounge
-  The Bench

The pop-up environments are a part of DTU campus development, Transforming DTU. The objective is to test different ideas for how we can create a vibrant and diverse campus environment and meet students' desire for more places to stay between and after classes. The pop-up environments will provide us with more knowledge on how we can develop DTU's squares and open spaces. In periods, we will record how the sites are used and come by to ask your opinion.
